- Send it to EU-MIDCAP team directly or via the relevant EU Delegation or the European Commission (DG INTPA's Unit in charge of Migration and Forced Displacement);
- DG INTPA will assess eligibility and relevance, considering other support provided, feasibility, and alignment with EU and partner country priorities.;
- If positive, approval by DG INTPA.

2. ACTION FICHE

The request is translated by the Consortium into an Action Fiche detailing all the elements of the Action, in consultation with DG INTPA and the requesting partner country.

3. EXECUTION

- Once the Action Fiche is approved by DG INTPA, its implementation can start;
- Experts are mobilised by the Consortium to deliver the expertise;
